What a wonderful group of Mums we had here for our Mother's Day afternoon tea on Friday. It was a pleasure to see you all here, and having a little bit of time to just relax and connect with each other.

Congratulations to all for making the time to come. We all really appreciate it, and all the things you do for your children.

A huge thanks to Ann for setting out the staffroom as a cafe.

We have our planting day on Friday with Auckland council coming to support HEB construction who have donated 6x planter boxes, soil, and vege plants. This new project is a vision we have had for our school for a very long time, and seeing it all come together is so exciting. The children have been involved with the process all the way along with placing the boxes, filling them with compost and soil, and planting. We look forward to maintaining these gardens and enjoying what they produce.
