It's nearly time for our Jumping June Jump Off. We are all excited about it and are looking forward to seeing how long we can keep going. Friday afternoon, June 14th is going to be fun!

Looking ahead, we are having a special Matariki celebration on Tuesday June 25th with a lunchtime event. There will be a special spot prize of a mohair blanket for a child's bed. Just come along and enjoy the event. More information will follow closer to the time.

Make Matariki Stars

Matariki is named after the Matariki star cluster, which appears in the sky during the Māori New Year. Making Matariki stars is a fun and simple craft activity that kids can enjoy. All you need is some colored paper, scissors, and glue. Here are the steps to make Matariki stars:

- Cut a strip of colored paper about 1 inch wide and 8 inches long.
- Fold the strip of paper in half and make a crease.
- Cut small slits along the folded edge of the paper, leaving about ¼ inch at the end.
- Unfold the paper and bend each strip of paper towards the opposite direction.
- Glue the ends of the paper strip together to form a star shape.

Kids can use different colors and sizes of paper to create a variety of Matariki stars. They can also add glitter, stickers, or other decorations to make them more festive.

Parent Teacher Interviews
Parent Teacher Interviews will be coming up soon and in order to select the time that suits you, you will need the SKOOL LOOP app.
Instructions on how to book will be sent home at a later date closer to the day
