Kia ora, Talofa lava, afio mai, 'nāmāstei, pai ata, Kuja hapa, greetings, 欢迎 and malo e lelei, Salaam+

Firstly a huge thank you to all the board members, students, and staff that helped out on our fundraiser. It was finally fine on Sunday night and despite the weather it was a great turn out.

This week is a very special week. All of our final assemblies are happening this week. It's a time to celebrate and share in all of the achievements we have succeeded in throughout the year.

Thank you to those of you who have been able to come. We really appreciate it.

Margaret Samson (Principal)

Kia ora koutou e te whānau

Edmonton School Board of Trustees would like to give our biggest thank you to our schooling community for all of the baking that came in, it was amazing to see and we felt the aroha coming from you all.

We were sad that the fireworks were postponed as there would have been so many more of you that would have attended, but were unable to due to it being postponed and knew the next day was school but we were thinking of you all.

To our wider community who joined us, it was great to meet you all and have a kōrero and hopefully we will see you next year enrolling your tāmaiti here at our beautiful small school.

A massive shout out to 3 amazing students Sidney, Ruby and Carter-Rose for your superb selling skills, with the community and the interaction was lovely to see. Your smiles were encouraging them to buy the baking. The community loved the interaction with you.

To Nadika and Tony thank you for your amazing help along with these 3 students and for keeping it a great environment to be in.

To the board members who were there, thank you for all your help on the night. To the board members who couldn't attend we missed you. And, to our Principal Margaret Samson thank you for being there from start to finish, you are amazing and we are lucky to have you.

We were able to raise just over \$1,800.00 for future student activities. That is amazing!

Ebony Andrews

(Presiding Member Edmonton School Board of Trustees)

Corbans Art Centre

Last week, I went to Corbans Art Centre with R.7 and R.5. When we arrived, we had to line up in our classes. Then once we entered the room we saw lots of flowers on the tables. They looked super pretty! After, we went into another room, we had to sit on the mat and eat one thing. So when we were finished, we went into another room. Our art teachers were Whaea Molly and Penny. Then we had to put sand into a saucer and pick some flowers, then design it. I chose 5 flowers and 3 leaves. After we were done, we had to trace a circle around cardboard and draw our flower saucer. When we were done, we coloured them with watercolours. I tried my best to put in as much detail as I could see. Once we were finished, we sat on the mat. Then we went to get our bags to go back to school. It was so much fun. By Jenny

Corbans Art Centre

Corban's Art Center

Last week we went to Corbans Art Centre. We went with R7 and R5. First, we went on the bus and found a seat. Then after a few minutes we made it. We first were talking to the teachers, they were called Whaea Penny and Whaea Molly. Then we just had a little snack and after that we went on the mat and started listening. Next, we scooped up some sand and looked for some flowers on the table. And then we got back on the mat for our next instructions. Then we were drawing the flowers in the saucers and we were using watercolours for the flowers. Then we painted our drawings and I felt happy.

By Kassius

Last week, we went to Corbans Art Center with Room 5. They taught us how to use watercolors. First we put sand in a saucer, then we put flowers in it. Next, we put a template on our paper. Then we did a sketch. I tried my best to put every detail, then we coloured it in. After that we went to school and when we arrived I immediately went home. I felt happy with my art.

By Matin

Last week Rm.7 and half of Rm.5 came along to Corban's Art Center. When we got off the bus we walked outside to the inside of this art room. Then we walked in this little room and had a little bit of our lunch box food. After that the instructor came in, they were called Whaea Molly and Whaea Penny. They took us to the art room to make sand saucers. This is how to make a sand saucer. First we got a small plate and put sand on the plate. Then we had to wipe the extra sand off and put on some different flowers and leaves. I put five different flowers on the side of the plate and one fern in the middle of the plate. I sat next to Charli when we did the sand saucer. After that we got called on the mat so we could see the next step. First Whaea Penny showed us that we had to draw the sand saucer. But instead of drawing it we outlined it on the paper. When we finished it, we had to paint it with watercolours. It was such a BLAST!
